# ABOUT RACE

RACE is the most trusted Pharma Training and Placement Institute. Our team of Industry Leaders and Corporate Trainers impart practical and experiential learnings in various domains like Pharmacovigilance, Medical Coding, Clinical research, CDM, Medical writing, QA/QC, RA, Pharma Marketing etc

## OUR PROUD RECRUITERS

## 100% PLACEMENT ASSISTANCE

# What is CPC?

The CPC certification is the pinnacle for medical coding in physician offices.

It assesses the skills needed for professional coders specializing in physician and non-physician provider services. CPC holders excel in provider documentation review, encounter abstraction, and proficiency in CPT®, HCPCS Level II, ICD-10-CM coding, along with compliance with regulatory standards for physician services.

# PERKS OF EARNING A CPC CERTIFICATION

## Increased Job Opportunities

Earning a CPC certification opens up a myriad of job opportunities across various healthcare sectors, providing avenues for career growth and advancement.

## Higher Salary Potential

Possessing a CPC certification can lead to higher salary potential, as employers recognize and value the expertise and specialized skill set it represents.

## Industry Recognition and Credibility

Industry recognition and credibility come hand in hand with a CPC certification, enhancing one's reputation and standing within the medical coding profession.

## Expanded Knowledge and Skill Set

Holding a CPC certification signifies an expanded knowledge and skill set, equipping individuals with the expertise to excel in complex coding tasks and challenges.

## Continuous Learning and Professional Development

Continuous learning and professional development are inherent to maintaining CPC certification, ensuring coders stay abreast of evolving industry standards and regulations.

## Networking Opportunities

CPC certification offers networking opportunities within the healthcare community, fostering connections that can lead to career opportunities and collaborations.

## Job Security and Stability

With increasing demand for certified coders, CPC holders enjoy greater job security and stability in their careers, even amidst fluctuations in the healthcare industry.

# COURSE CONTENT

1   Review of Anatomy	12   Urinary System and Male Genital System
2   Overview of ICD-10-CM	13   Female Reproductive System and Maternity Care & Delivery
3   Applying the ICD-10-CM Guidelines	14   Endocrine System & Nervous System
4   Accurate ICD-10-CM Coding	15   Special Senses (Ocular and Auditory)
5   Introduction to CPT®, HCPCS Level II & Modifiers	16   Anesthesia
6   Integumentary System	17   Radiology
7   Musculoskeletal System	18   Pathology & Laboratory
8   Respiratory System	19   Evaluation & Management Services
9   Cardiovascular System	20   Medicine
10   Hemic & Lymphatic Systems, Mediastinum,	21   Mock Exam

# Our Special Feature

## Structured Curriculum

We have a well-organized curriculum covering all topics included in the CPC exam blueprint. This includes modules on CPT, ICD, and HCPCS coding, anatomy and physiology, medical terminology, coding guidelines, and regulatory compliance.

## Practice Exams

We offer practice exams that simulate the format and difficulty level of the CPC exam. These exams help students assess their readiness and identify areas for improvement.

## Mock Exam Review Sessions

We conduct mock exam review sessions where students can review their performance, receive feedback from instructors, and learn strategies for tackling challenging questions more effectively.

## Experienced Instructors

We have experienced instructors with a strong background in medical coding and teaching. They are CPC-certified and knowledgeable about the latest coding guidelines and industry practices.

## One-on-One Mentoring

We provide one-on-one mentoring and coaching sessions to support students who may need additional assistance or personalized guidance in their preparation journey.

## Continuing Education Opportunities

We offer continuing education opportunities for students to stay updated on changes in coding guidelines, regulations, and industry trends even after they have completed the CPC exam.

## Live Classes and Webinars

We Conduct live classes and webinars to provide students with the opportunity to interact with instructors, ask questions, and clarify doubts in real-time. Recording will be provided to students who may miss to attend.

## Access to Coding Books and Resources

We provide essential coding books such as the CPT, ICD, and HCPCS manuals, as well as other relevant reference materials. Offer tips and strategies for efficient navigation and utilization of these resources during the exam.

## Career Support Services

Provide career support services such as resume writing assistance, interview preparation, and 100% placement guarantee to help students transition into roles as certified professional coders

## CPC Apprentice Status Removal and CEU Acquisition Guidance

We offer comprehensive assistance for removing CPC Apprentice "A" designation from your certification. Receive detailed guidance on accruing Continuing Education Units (CEUs) through AAPC and alternative accredited sources.

## MODE AND DURATION

- Mode or Methodology  
**Online Learning Mode**
- Duration  
**Three Months Duration**
- Classes Day  
**On Weekend**

## WHO CAN APPLY?

- ✓ MBBS ✓ BAMS ✓ BHMS
- ✓ B.Sc ✓ M.Sc ✓ Life Science
- ✓ Nursing ✓ BUMS ✓ BDS
- ✓ B.Pharm ✓ M.Pharm ✓ BPT
- ✓ Microbiology ✓ Biomedical
- ✓ Biotech ✓ Medical Laboratory
- ✓ Occupational Therapist

All professionals working with Hospitals and Healthcare Organizations are eligible.
